

# CZECH TECHNICAL UNIVERSITY IN PRAGUE

Faculty of Information Technology  
Thákurova 9, 16000 Praha 6

## Transcript of Records

|                                     |  |
|-------------------------------------|--|
| Family name and First name (names): | Jahoda Pavel                                 |
| Date of birth (day/month/year):     | 08.01.1997                                   |
| Place of birth:                     | Praha  |
| Duration of study:                  | 01.07.2016 - still studying                  |
| Mode of study:                      | full-time study                              |
| Level of qualification:             | university education - bachelor degree study |
| Study programme:                    | Informatics (in Czech)                       |
| Branch of study:                    | Knowledge Engineering                        |
| Total credits:                      | 139  |
| Weighted average:                   | 1.5526                                       |

| Code     | Course   | Credit units | Mode of completion | Date       | Lectures + seminars (hours per week) | Classification  |
|----------|--|--------------|--------------------|------------|--------------------------------------|-----------------|
| BI-AAG   | Automata and Grammars                                    | 6            | UGA,EX             | 18.01.2018 | 2+2                                  | D(Satisfactory) |
